Dear Colleague

The XI J-NOST conference for research scholars will be held during December 14-17, 2015 in NISER, Bhubaneswar.

We request you to nominate PhD students/RAs/post-doctoral fellows from your group for this conference. We would appreciate if you could also pass on this information to other organic chemistry colleagues in your department. The last date for the nomination is September 30, 2015. Nominated participants should not have given a lecture in a J-NOST meeting before. The following information should be sent to Dr. S. Peruncheralathan (email: jnost@niser.ac.in), Organizer, XI J-NOST meeting.

1. Participant name with complete address. 2. Name of the supervisor. 3. Nature of scholarship (CSIR, UGC, others/JRF/SRF). 4. Publication details or research summary (maximum one page, with reference to own published work).

This meeting will be limited to selected 100 participants from India and abroad. Among these, 40-45 people will be asked to give a talk (15 min) and 25-30 people will be invited to present posters. The remaining will be requested to participate. Besides these, there will be evening lectures on general topics by established organic chemists. Selected students will have to pay a registration fee of Rs 2500/- (Indian) and Rs. 3500/- or Euro 50 (Abroad), which should be sent to Dr. S. Peruncheralathan, School of Chemical Sciences, National Institute of Science Education and Research (NISER), Institute of Physics Campus, Bhubaneswar – 751005, by a cheque/draft made in favor of “JNOST2015”. This fee will include local hospitality (accommodation, meals and sight-seeing) in Bhubaneswar. Please note that we are unable to provide travel support.

Scientific program will start on Monday, December 14, 2015, at 9.00 AM and end on Thursday, December 17, 2015 by lunch time, followed by a sight-seeing trip. As per the tradition, all the participants are expected to stay for the entire duration of this meeting.

We look forward to your support and help in nominating students for this scientific activity.

Best regards. Sincerely,

Sandeep Verma

Srivari Chandrasekhar

Co-Chair, NOST Council
